

June 9, 2008

PUBLIC NOTICE

In accordance with §75-10-735(1) and (2), Montana Code Annotated (MCA), the Montana Department of Environmental Quality (DEQ) hereby gives notice of a 30-day public comment period on the 2008 Voluntary Cleanup Plan (VCP) Amendment for the Missoula Sawmill Facility, also known as the Champion Sawmill, in Missoula, Montana. DEQ is soliciting public comment on this document. The public comment period will begin on Friday, June 6, 2008 and comments must be received in the DEQ office by midnight on Sunday, July 6, 2008. Copies of the VCP are available for review at the Missoula Public Library at 301 East Main in Missoula; the Missoula City/County Environmental Health office at 301 W. Alder in Missoula; and the DEQ Site Response Section of the Hazardous Waste Site Cleanup Bureau office located at 1100 Last Chance Gulch in Helena. Upon written request to the DEQ on or before July 21, 2008, by 10 or more persons, a group of 10 or more persons, or by a local governing body, DEQ will hold a public meeting. If you have any questions or would like to submit comments, please contact Kate Fry at the DEQ, Remediation Division, P.O. Box 200901, Helena, MT 59620-0901 or by telephone at (406) 841-5066 or 1-800-246-8198 (in Montana outside Helena). The VCP Amendment addresses the site specific cleanup number of trichloroethene (TCE) vapors at the former Tractor Repair Shop at the Missoula Sawmill Facility. The Missoula Sawmill Facility is an inactive 45-acre sawmill west of McCormick Park in Missoula.
